Coalition-focused prevention of youth substance abuse and increasing community collaboration

In 2015, we received a Drug-Free Communities Grant through SAMHSA that supports our efforts in preventing alcohol, marijuana, and prescription drug use among youth ages 12-18.

We accomplish our goals through several workgroups:

- Alcohol Prevention (coordinated with the Changing the Culture of Risky Drinking Behavior Coalition)
- Marijuana and Other Drugs
- Prescription Drug Prevention, and
- Sustainability
